EPISODE 23: ECLIPSE [PART 2]

EPISODE 23: ECLIPSE [PART 2]

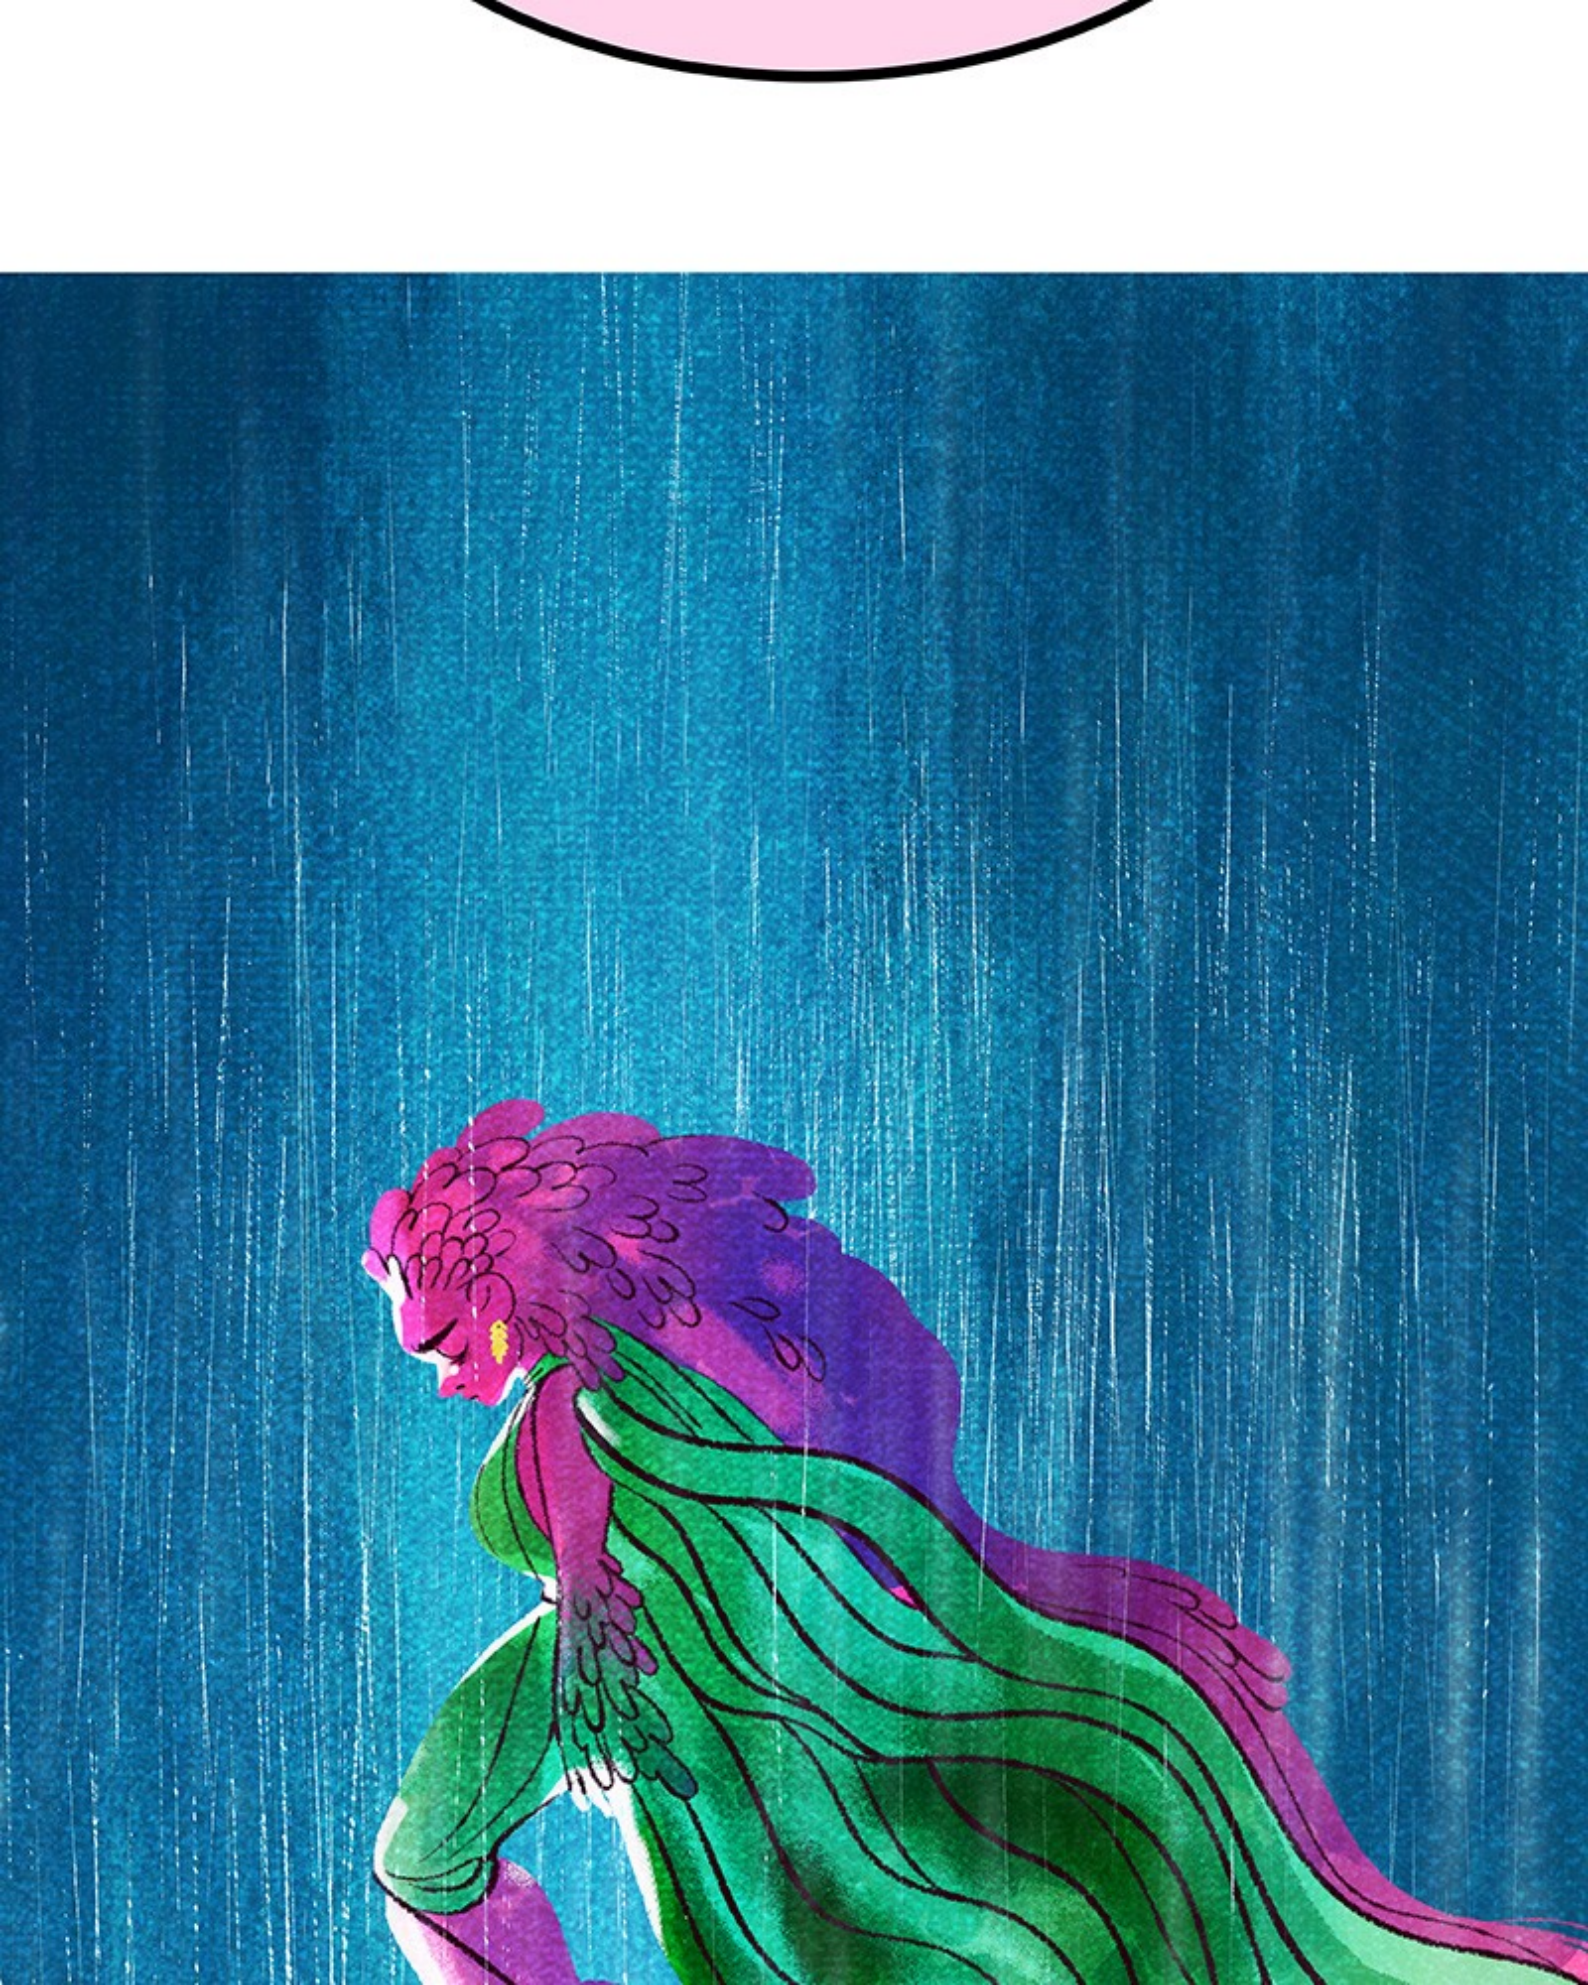

I used to think I was
so special,

because my mother cared
for my safety so much that
she wouldn't let me learn
how to fly.

A pink oval with a black border, containing text.

I know that I did the
best I could in my
mother's absence.

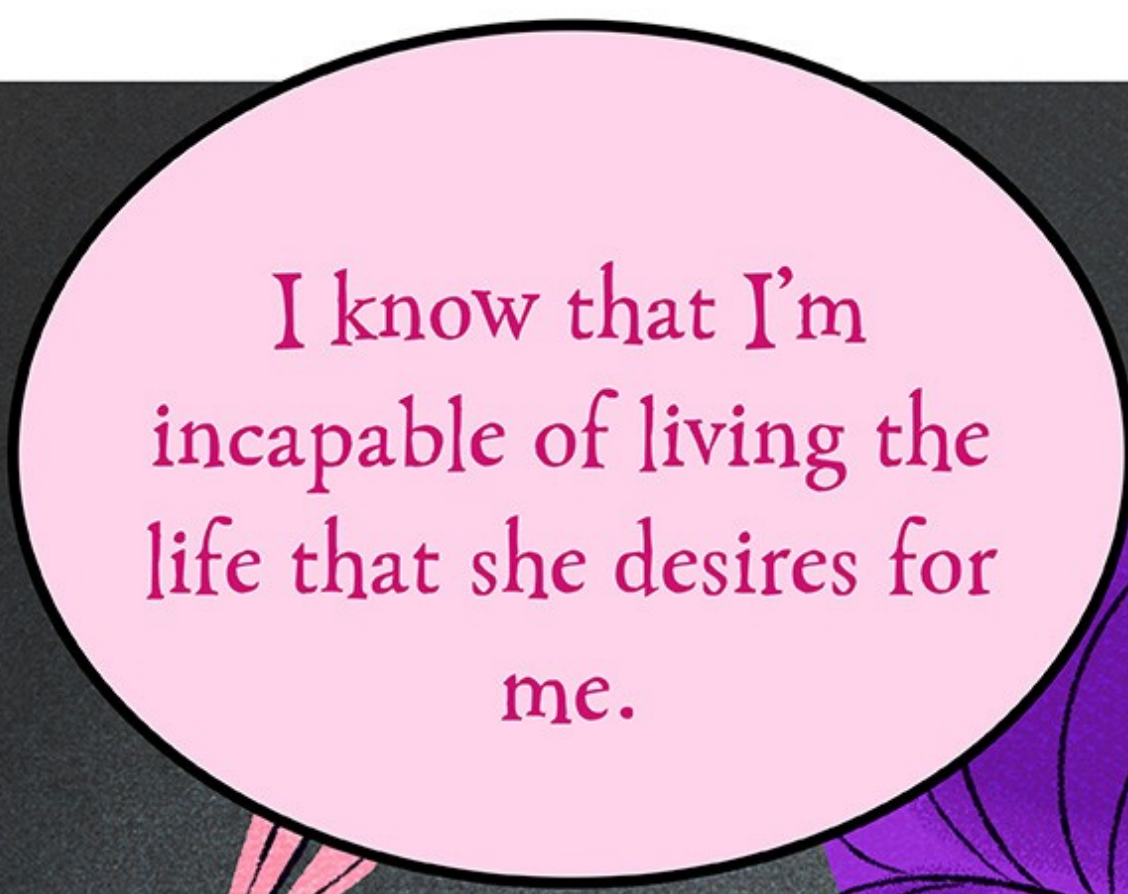

I know that I've made
choices for my future that
are inherently my own.

I know that I'm
incapable of living the
life that she desires for
me.

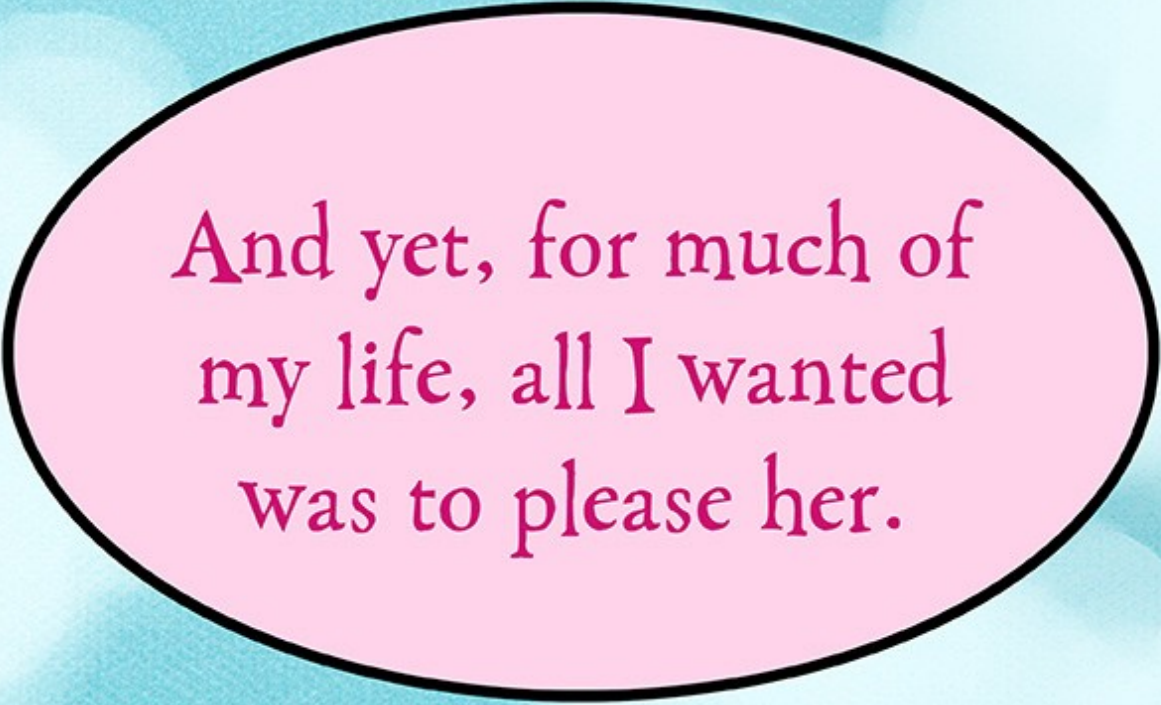

But, I know the way my

mother is treating me right
now isn't right.

And yet, for much of
my life, all I wanted
was to please her.
