Interview with

by 'Mothman'

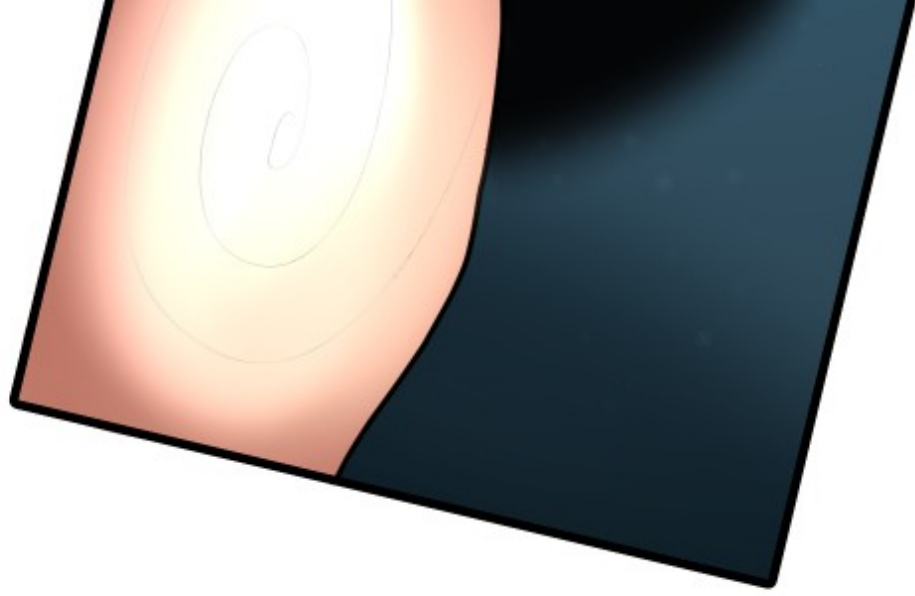

The image features a stylized, dark grey Mothman figure with large, spread wings and two sharp, pointed ears. Its eyes are a bright, glowing red. The figure is set against a background that transitions from a dark red at the top to black at the bottom. At the very bottom, there are several dripping, red, blood-like shapes. The word "MOTHMAN" is written in a bold, white, sans-serif font across the center of the figure's body.
